1.   Where can I find the complete syllabus for my course?

Yes, the syllabus of different courses are available on their respective websites

School of Architecture- https://architecture.gndec.ac.in/website1/node/4

Applied Science-   https://appsc.gndec.ac.in/?q=node/45

Civil Engineering-   https://ce.gndec.ac.in/?q=node/2

Electrical Engineering- https://ee.gndec.ac.in/?q=node/2

Mechanical & Production Engineering- https://me.gndec.ac.in/?q=node/21

Electronics & Communication Engineering- https://ece.gndec.ac.in/?q=node/9

Computer Science & Engineering- https://cse.gndec.ac.in/?q=node/2

Information Technology- https://it.gndec.ac.in/?q=node/2

Business Administration- https://mba.gndec.ac.in/?q=node/11

Computer Applications- https://mca.gndec.ac.in/?q=node/2

2.   Are there any changes or updates to the syllabus for the current academic year?

Yes, they are regularly updated on the respective departments website. For now currently 2018 scheme is followed.

3.   What are the core subjects included in the first year's syllabus?

As first year is under Applied Science https://appsc.gndec.ac.in/ , all the information regarding first year is available on this website. Applied Science Syllabus- https://appsc.gndec.ac.in/?q=node/45

4.   Are there any elective courses, and how can I access information about them in the syllabus?

All the information regarding opting elective courses is mentioned in the respective syllabus schemas of the department. Students can check the syllabus schemas for all the courses offered in the respective semesters.

School of Architecture- https://architecture.gndec.ac.in/website1/node/4

Applied Science-   https://appsc.gndec.ac.in/?q=node/45

Civil Engineering-   https://ce.gndec.ac.in/?q=node/2

Electrical Engineering- https://ee.gndec.ac.in/?q=node/2

Mechanical & Production Engineering- https://me.gndec.ac.in/?q=node/21

Electronics & Communication Engineering- https://ece.gndec.ac.in/?q=node/9

Computer Science & Engineering- https://cse.gndec.ac.in/?q=node/2

Information Technology- https://it.gndec.ac.in/?q=node/2

Business Administration- https://mba.gndec.ac.in/?q=node/11

Computer Applications- https://mca.gndec.ac.in/?q=node/2

5.   How do practical or lab components align with the theoretical aspects in the syllabus?

Regarding practical labs or components information is available in the syllabus schemas of the website.Students can check the syllabus schemas for all the courses offered in the respective semesters. Visit the official site of gndec -https://www.gndec.ac.in/ .Open the

website -> Departments-> Various syllabus schemas of various departments with practical lab courses offered.

6. Are there specific chapters or topics that will be covered in each subject?
Yes, numerous chapters are covered in each subject required for the best engineering practices according to the requirement.

7. Is the syllabus different for students in different majors or concentrations?
All the credits for different subjects are mentioned in the syllabus schemas of each department. Students can refer to the syllabus for the same.
School of Architecture- https://architecture.gndec.ac.in/website1/node/4
Applied Science-   https://appsc.gndec.ac.in/?q=node/45
Civil Engineering-   https://ce.gndec.ac.in/?q=node/2
Electrical Engineering- https://ee.gndec.ac.in/?q=node/2
Mechanical & Production Engineering- https://me.gndec.ac.in/?q=node/21
Electronics & Communication Engineering- https://ece.gndec.ac.in/?q=node/9
Computer Science & Engineering- https://cse.gndec.ac.in/?q=node/2
Information Technology- https://it.gndec.ac.in/?q=node/2
Business Administration- https://mba.gndec.ac.in/?q=node/11
Computer Applications- https://mca.gndec.ac.in/?q=node/2

8. What is the weightage or distribution of marks for each section of the syllabus?
Yes, various textbooks and study materials are available under each subject offered under the syllabus schemas only.Visit the official site of gndec -https://www.gndec.ac.in/ .Open the website -> Departments-> Various syllabus schemas of various departments with courses offered
9. Are there any recommended textbooks or reading materials mentioned in the syllabus?
Yes, they are regularly updated on the respective departments website. For now currently 2018 scheme is followed.

10. How often is the syllabus reviewed or updated by the academic department?
All the credits for different subjects are mentioned in the syllabus schemas of each department. Students can refer to the syllabus for the same
School of Architecture- https://architecture.gndec.ac.in/website1/node/4
Applied Science-   https://appsc.gndec.ac.in/?q=node/45
Civil Engineering-   https://ce.gndec.ac.in/?q=node/2
Electrical Engineering- https://ee.gndec.ac.in/?q=node/2
Mechanical & Production Engineering- https://me.gndec.ac.in/?q=node/21
Electronics & Communication Engineering- https://ece.gndec.ac.in/?q=node/9
Computer Science & Engineering- https://cse.gndec.ac.in/?q=node/2
Information Technology- https://it.gndec.ac.in/?q=node/2
Business Administration- https://mba.gndec.ac.in/?q=node/11
Computer Applications- https://mca.gndec.ac.in/?q=node/2

11.   Can I access previous years' syllabi for reference or preparation purposes?
Yes, Question bank for different subjects is available on the different departments website.Students can check the various departments website for regular update of questions and question bank.Visit the official site of gndec -https://www.gndec.ac.in/ .Open the website -> Departments-> Academics ->various question bank of various subjects of all the departments offered.

12.   Are there any prerequisites mentioned in the syllabus for specific courses?
Yes, prerequisties for each subject are mentioned in the syllabus of each subject of that particular department.Prerequisite refer to here the knowledge which subject is needed to study before for studying that particular subject.Students can refer to the syllabus of that particular subject for its pre-requisite

13.   How are exams or assessments scheduled throughout the semester based on the syllabus?
Exams are based on the syllabus only.Internal examination,Mid semester 1 are based on part A of the syllabus and Mid semester 2 are based on part B of the syllabus.External examination are based on both parts A and B of the syllabus.Also assessments are based on both Mid semester examination from the syllabus itself and on the basis of attendance and assignments provided itself in the class.

14.   Are there any additional resources or references recommended but not included in the syllabus?
Yes some books or text materials can be recommended by teachers of that particular subject in the classroom itself that may or may not be included in the syllabus.

15.   Is copy of syllabus of all semesters available on the official website?
Yes, copy of syllabus of all semesters is available on the official website and Students can check regularly the official websites of particular departments for the regular updates of syllabus.

16.   Are there any industry-specific or real-world applications included in the syllabus?
Yes, syllabus is defined in such a way including all the industry specific or real world applications. Syllabus of gndec is in accordance with all the requirements of Engineering aspects.

17.   How does the syllabus account for changes in technology or advancements in the field?

Yes, syllabus is defined in such a way including all the industry specific or real world applications. Syllabus of gndec is in accordance with all the requirements of Engineering aspects.

18.   What is the process for addressing concerns or questions related to the syllabus content?

Enrolify bot is here to answer all your queries regarding syllabus and for more information students can visit the official website https://www.gndec.ac.in/ . Open the website -> Departments -> Academics -> various syllabus of various subjects of all the departments offered.

19.   Are there any group projects, presentations, or assignments mentioned in the syllabus?

Group projects are mentioned in the syllabus of laboratories and assignments are provided by the subject teachers in the class itself.No,assignments are not mentioned in the syllabus.

20.   How does the syllabus accommodate students with different learning styles or abilities?

Syllabus is defined in such a way including all the industry specific or real world applications. Syllabus of gndec is in accordance with all the requirements of Engineering aspects.Yes,the syllabus accommodate students with different learning styles or abilities

21.   What is the role of practical training or internships as per the syllabus?

Practical training and internships are there but nothing about this is mentioned in the syllabus.Information regarding this is mentioned in the news letter of the college website or on the official website of Training and Placement cell (https://www.tnpgndec.com/)

22.   How does the syllabus align with the overall goals and mission of the academic program?

Syllabus includes all the overall goals and mission of the academic program.All the course outcomes based on syllabus are mentioned in the syllabus of each particular subject.

23.   Is there a specific format or structure followed in presenting the syllabus information?

Yes,specific format or structure is followed in designing the syllabus which is made by the college itself.

24.   How does the syllabus address different learning outcomes for each course?

Syllabus is defined in such a way including all the industry specific or real world applications. Syllabus of gndec is in accordance with all the requirements of Engineering aspects.Yes,the syllabus accommodate students with different learning styles or abilities.Syllabus includes all

the overall goals and mission of the academic program.All the course outcomes based on syllabus are mentioned in the syllabus of each particular subject.

26. Are there any study guides or supplementary materials recommended in the syllabus?

Yes, various textbooks and study materials are available under each subject offered under the syllabus schemas only.Visit the official site of gndec -https://www.gndec.ac.in/ .Open the website -> Departments-> Various syllabus schemas of various departments with courses offered.Some books or text materials can also be recommended by teachers of that particular subject in the classroom itself that may or may not be included in the syllabus.

27. Is the syllabus available in multiple languages to accommodate diverse student populations?

Syllabus is available only in one language i.e. English which is understood by everyone.

28. Is the syllabus of the respective department available on their official deparment page?

Yes, the syllabus of particular department is available on the official department page itself.
School of Architecture- https://architecture.gndec.ac.in/website1/node/4
Applied Science-   https://appsc.gndec.ac.in/?q=node/45
Civil Engineering-   https://ce.gndec.ac.in/?q=node/2
Electrical Engineering- https://ee.gndec.ac.in/?q=node/2
Mechanical & Production Engineering- https://me.gndec.ac.in/?q=node/21
Electronics & Communication Engineering- https://ece.gndec.ac.in/?q=node/9
Computer Science & Engineering- https://cse.gndec.ac.in/?q=node/2
Information Technology- https://it.gndec.ac.in/?q=node/2
Business Administration- https://mba.gndec.ac.in/?q=node/11
Computer Applications- https://mca.gndec.ac.in/?q=node/2

29. Is the criteria or percentage of theory and numerical part provided?

Yes,percentage of theory and numerical part is mentioned in the syllabus of every subject and exam is also set on the basis of this information both internal and external.

30. What is the marks distribution for theory internal as well as external examination?

Marks distribution for theory and practical Internal examination includes:
Mid semester examination 1 of 24 marks
Mid semester examination 2 of 24 marks
Practical of each subject is of 30 marks
Marks distribution for theory and practical External examination includes:
Final theory examination is of 60 marks
Practical of each subject is of 20 marks

31. What is the marks distribution for practical internal as well as external examination?

Marks distribution for practical Internal examination includes:
Practical of each subject is of 30 marks
Marks distribution for practical External examination includes:
Practical of each subject is of 20 marks

1.   How can I access the complete list of academic programs and courses offered by the college?
By visiting the official website https://gndec.ac.in/ under admission click courses offered https://gndec.ac.in/?q=courses https://gndec.ac.in/sites/default/files/cougpg24.pdf and you will get to know about the academic programs and courses offered along with their intakes.

2.   Are there any new programs or courses introduced for the upcoming academic year?
You can check the official website for regular updtes of the courses offered.
https://gndec.ac.in/?q=courses

3.   Can I switch majors or change my academic program after enrolling in the college?
It depends on the marks you scored in the 1st year and also on the available seats in the department. For more details you can contact your assigned mentors.

4.   What are the prerequisites for specific academic programs or courses?
You need to have completed high school or its equivalent with a strong academic record. This usually includes subjects like Mathematics, Physics, and Chemistry. It include the Joint Entrance Examination (JEE) Main and Advanced .

5.   Are there any joint degree programs or dual majors available?
Yes , joint degree programs or dual majors are available by different departments offering honors degree . You can check by visiting various departments website under their news and events . https://ce.gndec.ac.in/sites/default/files/Regarding%20Honour%20De_0001.pdf https://it.gndec.ac.in/sites/default/files/DocScanner%20Jan%208%2C%202024%201-49%20PM.pdf . Rest all departments site can be visited https://gndec.ac.in/ through official site.

6.   How often is the curriculum for academic programs updated or revised?
You can check the official website for regular updtes of the courses offered.
https://gndec.ac.in/?q=courses.

8.   Are there any honors or accelerated programs for exceptional students?
Yes , joint degree programs or dual majors are available by different departments offering honors degree . You can check by visiting various departments website under their news and events . https://ce.gndec.ac.in/sites/default/files/Regarding%20Honour%20De_0001.pdf https://it.gndec.ac.in/sites/default/files/DocScanner%20Jan%208%2C%202024%201-49%20PM.pdf . Rest all departments site can be visited https://gndec.ac.in/ through official site.
9.   What is the typical duration of academic programs, and can they be completed earlier or extended?

For duration of academic program and courses visit
https://gndec.ac.in/sites/default/files/cougpg24.pdf.

10.   Can I pursue internships or practical training as part of my academic program?
 Yes, you can pursue internships or practical training as part of academic program in 7th or
8th semester according to your sgpa. Different departments offer different training period .
For more details conatct assigned mentors.

12.   Can I access the course catalog online, and how frequently is it updated?
yes, you can access the course catalog online by visiting the official website
https://gndec.ac.in/ under admission click courses offerd https://gndec.ac.in/?q=courses
https://gndec.ac.in/sites/default/files/cougpg24.pdf and you will get to know about the
academic programs and courses offered along with their intakes.

13.   Are there any specific resources or labs dedicated to certain academic programs?
Yes there are specific resources or labs dedicated to certain academic programs .It varies
according to different department.

14.   How are assessments and examinations structured within academic programs?
Assessments and examinations structured within academic programs can be refered by the
syllabus of different departments.

15.   What types of elective courses are available within each academic program?
It can be referred through various department website visiting the official website
https://gndec.ac.in/ . under this visit department websites seperately and can check
electives offered by certain departments.

16.   Are there any language proficiency requirements for specific academic programs?
Yes for different courses like Data analysis and algorithms you should have knowlwdge
about data structures . All the prerequisites are mentioned bt=y the courses offered by the
department in teir respective syllabus schema.

17.   Are there any workshops, seminars, or guest lectures incorporated into academic
programs?
Yes, many academic programs, including Bachelor of Technology (B.Tech) programs, often
incorporate workshops, seminars, and guest lectures as part of their curriculum. These
events serve several purposes, including enhanced learning and skill development.

18.   Can we pursue a minor or double major alongside my primary academic program?

Yes , minor degree or honors can be done along with the main program you are currently persuing . For that you can check various departments website under their news and events.

19.   How does the college foster a collaborative learning environment within academic programs?
Colleges foster collaborative learning environments within academic programs in various ways by promoting Group Projects and Assignments , Team-Based Learning , Collaborative Class Activities and group projects.

20.   Can we access a list of alumni who have completed specific academic programs and their career paths?
 By visiting the official website https://gndec.ac.in/ under prominent alumini section you can check alumini of various departments.

21.   From where can we assess the list of all academic programs and courses?
By visiting the official website https://gndec.ac.in/ under admission click courses offered https://gndec.ac.in/?q=courses https://gndec.ac.in/sites/default/files/cougpg24.pdf and you will get to know about the academic programs and courses offered along with their intakes

22.   Are subject question banks of all courses available?
Yes, Question bank for different subjects is available on the different departments website.Students can check the various departments website for regular update of questions and question bank.Visit the official site of gndec -https://www.gndec.ac.in/ .Open the website -> Departments-> Academics ->various question bank of various subjects of all the departments offered.

23.   Do questions from various question banks are there in final question papers?
We cant totally rely on question bank for final exam preperation . Prepare well by all the topics covered in your class and mentioned in the syllabus schemas.

25.   How often is the timetable updated, and where can we access the most recent version?
It is updated regularly and can be checked by :
Architecture department- https://architecture.gndec.ac.in/website1/
Applied Science- https://appsc.gndec.ac.in/?q=node/5
Civil Engineering - https://ce.gndec.ac.in/?q=node/5
Electrical Engineering- https://ee.gndec.ac.in/?q=node/5
Mechanical & Production Engineering - https://me.gndec.ac.in/?q=node/5
Electronics & Communication Engineering - https://ece.gndec.ac.in/?q=node/5
Computer Science & Engineering- https://cse.gndec.ac.in/?q=node/5
Information Technology- https://it.gndec.ac.in/?q=node/5
Business Administration- https://mba.gndec.ac.in/?q=node/5

Computer Applications- https://mca.gndec.ac.in/?q=node/5

26.   Are there specific time slots for breaks between classes in the timetable?
Yes break time is available you can check timetable by visiting departements websites as mentioned:
Architecture department- https://architecture.gndec.ac.in/website1/
Applied Science- https://appsc.gndec.ac.in/?q=node/5
Civil Engineering - https://ce.gndec.ac.in/?q=node/5
Electrical Engineering- https://ee.gndec.ac.in/?q=node/5
Mechanical & Production Engineering - https://me.gndec.ac.in/?q=node/5
Electronics & Communication Engineering - https://ece.gndec.ac.in/?q=node/5
Computer Science & Engineering- https://cse.gndec.ac.in/?q=node/5
Information Technology- https://it.gndec.ac.in/?q=node/5
Business Administration- https://mba.gndec.ac.in/?q=node/5
Computer Applications- https://mca.gndec.ac.in/?q=node/5

27.   Can we request a change in my timetable if there is a scheduling conflict?
 Yes for that you can talk to your mentor or time table incharge of your respective department.

28.   What is the process for accessing personalized timetables based on my course selections?
For timetables of different department visit:
Architecture department- https://architecture.gndec.ac.in/website1/
Applied Science- https://appsc.gndec.ac.in/?q=node/5
Civil Engineering - https://ce.gndec.ac.in/?q=node/5
Electrical Engineering- https://ee.gndec.ac.in/?q=node/5
Mechanical & Production Engineering - https://me.gndec.ac.in/?q=node/5
Electronics & Communication Engineering - https://ece.gndec.ac.in/?q=node/5
Computer Science & Engineering- https://cse.gndec.ac.in/?q=node/5
Information Technology- https://it.gndec.ac.in/?q=node/5
Business Administration- https://mba.gndec.ac.in/?q=node/5
Computer Applications- https://mca.gndec.ac.in/?q=node/5

29.   How does the college handle adjustments to the timetable in case of holidays or special events?
Timetable can be checked by :
Architecture department- https://architecture.gndec.ac.in/website1/
Applied Science- https://appsc.gndec.ac.in/?q=node/5
Civil Engineering - https://ce.gndec.ac.in/?q=node/5
Electrical Engineering- https://ee.gndec.ac.in/?q=node/5
Mechanical & Production Engineering - https://me.gndec.ac.in/?q=node/5
Electronics & Communication Engineering - https://ece.gndec.ac.in/?q=node/5
Computer Science & Engineering- https://cse.gndec.ac.in/?q=node/5

Information Technology- https://it.gndec.ac.in/?q=node/5
Business Administration- https://mba.gndec.ac.in/?q=node/5
Computer Applications- https://mca.gndec.ac.in/?q=node/5

30.   Are there different timetables for different academic programs or majors?
Yes there are different timetables for different academic programs or majors . For more details you can check website of different department and can check their timetables.

31.   Can we access the timetable online, or is it provided in a physical format as well?
Time table can be accessed online by visiting websites of various departments.
Architecture department- https://architecture.gndec.ac.in/website1/
Applied Science- https://appsc.gndec.ac.in/?q=node/5
Civil Engineering - https://ce.gndec.ac.in/?q=node/5
Electrical Engineering- https://ee.gndec.ac.in/?q=node/5
Mechanical & Production Engineering - https://me.gndec.ac.in/?q=node/5
Electronics & Communication Engineering - https://ece.gndec.ac.in/?q=node/5
Computer Science & Engineering- https://cse.gndec.ac.in/?q=node/5
Information Technology- https://it.gndec.ac.in/?q=node/5
Business Administration- https://mba.gndec.ac.in/?q=node/5
Computer Applications- https://mca.gndec.ac.in/?q=node/5

32.   How early is the timetable typically released before the start of the semester?
It is released few days earlier before start of semester and can be be accessed online by visiting websites of various departments.

33.   Can we see a detailed breakdown of the timetable, including room numbers and faculty names?
Yes we can see a detailed breakdown of the timetable, including room numbers and faculty names by visiting websites of various departments.

34.   What is the process for resolving clashes or overlaps in the timetable for required courses?
For that you can talk to your mentor or time table incharge of your respective department for resolving clashes or overlaps in the timetable for required courses.

35.   Are there any guidelines or policies regarding punctuality and attendance based on the timetable?
Yes student needs to be punctual and 75 percent criteria is there for each course in the curriculum which students need to met.

36.   How are practical or lab sessions incorporated into the overall timetable?

Practical or lab sessions are incorporated into the overall timetable by the timetable of the respective departments which you can check by visiting your respective department website.

37.   Are there provisions for online or virtual classes in the timetable?
There are no provisions for online or virtual classes in the timetable as such.

38.   How does the college handle unexpected changes, such as faculty substitutions, in the timetable?
The college handle unexpected changes, such as faculty substitutions, in the timetable according to the departmental changes or a substitute teacher is arranged and time table is updated accordingly.

39.   Are there different timetables for each semester, or is there a standardized structure?
For each semester time table is updated and can be checked by visiting the websites of different departments.

40.   What is the policy for makeup classes or rescheduling in the event of class cancellations?
It totally depends on the professor teaching that subject offered by the department.

41.   How are extracurricular activities or club meetings accommodated in the timetable?
 Extracurricular activities or club meetings can be scheduled or accommodated in the timetable by adjusting with the free lectures or breaks.

42.   Can we access the timetable for the entire academic year in advance?
Time tables are updated regularly each semester and can be accessed online by visiting websites of various departments.
Architecture department- https://architecture.gndec.ac.in/website1/
Applied Science- https://appsc.gndec.ac.in/?q=node/5
Civil Engineering - https://ce.gndec.ac.in/?q=node/5
Electrical Engineering- https://ee.gndec.ac.in/?q=node/5
Mechanical & Production Engineering - https://me.gndec.ac.in/?q=node/5
Electronics & Communication Engineering - https://ece.gndec.ac.in/?q=node/5
Computer Science & Engineering- https://cse.gndec.ac.in/?q=node/5
Information Technology- https://it.gndec.ac.in/?q=node/5
Business Administration- https://mba.gndec.ac.in/?q=node/5
Computer Applications- https://mca.gndec.ac.in/?q=node/5

43.   What is the procedure for reporting errors or discrepancies in the timetable?
For reporting errors or discrepancies in the timetable students can talk to their mentor or time table incharge of the respective department.

2.   How can I access and use the sports facilities?

Students can contact the mentors and the faculty members of the Sports and seek permission and get all the required details to utilize sports facilties.For more details contact Dr.(Mrs.) Gunjan Bhardwaj-Head, Department of Sports,Ground Floor, Sports Complex.

3.   Are there any fees associated with using sports facilities or participating in sports activities?

Yes,there are rental charges

SWIMMING POOL:

The charges are as follows:

1. Students and staff members 100/-
2. Staff members, their spouses & kids above the age of 12,school teaching staff 100/-
3. College staff kids below the age of 12 50/-
4. Any other outsider (with special permission) 1000/-

BILLIARD ROOM:

1. One time membership fee per semester per player 100/-
2. Playing fee per hour per player 20/-

LAWNTENNIS:The facility is free of cost and can be used in the mornings and evenings for the play.

HOCKEY: Rental charges per day:1500/- per day

FOOTBALL:Rental charges per day:1500/- per day

BASKETBALL:Rental charges per day: 2000/- per day without lights for both courts:5000/- per day with lights for both courts

CHESS:Regularly played by students in Sports Complex. Both intramural and extramural activity is conducted from time to time.

CRICKET:Rental charges per day:5000/- per day

BADMINTON:Only outdoor one cemented courts is available to students for play.

CYCLING:College provide Cycles and students practice at PAU Velodrome, Ludhiana.

VOLLEYBALL:Rental charges per day: 2000/- per day without lights for both courts:5000/- per day with lights for both courts

KABADDI:One ground for N/S Kabaddi is situated in the track and field stadia and is regularly used for technical and tactical training by college boys team. Intramural are very often conducted.

4.   What types of sports are offered as part of the college's sports program?

 Facilities available:

Gymnasium/Multi exercise Hall

SWIMMING POOL

BILLIARD ROOM

LAWNTENNIS

COLLEGE STADIUM

HOCKEY

FOOTBALL

BASKETBALL

CHESS

CRICKET

BADMINTON
CYCLING
VOLLEYBALL
KABADDI

5.   Are there sports scholarships or financial aid opportunities for athletes?
For details regarding sports scholarships or financial aid opportunities contact Dr.(Mrs.)
Gunjan Bhardwaj UGC-NET (JRF),MPE, BPE (Head, Department of Sports Ground Floor,
Sports Complex)

6.   How are sports coaches assigned, and how can we connect with them?
Current sports coach is Dr.(Mrs.) Gunjan Bhardwaj -UGC-NET (JRF),MPE, BPE (Head,
Department of Sports) .To connect her,students can visit Sports Complex.

7.   Is there a fitness center or gym available for students, and what are the operating
hours?
Yes,there is a fitness center or gym available for students.For more details students can
contact Dr.(Mrs.) Gunjan Bhardwaj (Sports Head).

8.   Are there sports leagues or tournaments organized by the college for students to
participate in?
Yes,sports leagues or tournaments are organized by the college for students these are
updated regularly on the official website of gndec https://www.gndec.ac.in/ and also on the
official website of sports https://sports.gndec.ac.in/ . Rest all the details are provided by
Dr.(Mrs.) Gunjan Bhardwaj (Sports Head).

9.   How are sports teams and events promoted or publicized within the college
community?
Sports events are promoted or publicized by various banners and posters in college campus
and also by circulating messages regarding registration in various class groups.

11.   Are there sports clubs or organizations where students can pursue specific interests
or disciplines?
Yes,sports department is there with the aim to inculcate sports culture among staff and
students of the college. It inspires the students by fostering healthy lifestyles through
involvement in physical education and sports activities that cultivate lifelong health.

12.   How does the college support student-athletes in balancing academics and sports
commitments?

Both the activities are given equal importance and there is no such clash with the academic growth.If such occurs students can give their exams later on after signing in the applications from their respective departements and mentors.

13.   Can we use the sports facilities during weekends or holidays?
Yes,specific timings are allocated to each activity.For more detailed information visit
https://sports.gndec.ac.in/?q=node/9

14.   What is the process for reporting injuries or seeking medical assistance during sports activities?
Students can directly contact the sports head for reporting injuries or seeking medical assistance during sports activities.Proper medical assistance will be provided.

16.   Can we request additional training or coaching support if needed?
Yes,additional training or coaching support can be provided if needed.All these facilities are taken care by the sports head Dr.(Mrs.) Gunjan Bhardwaj).

17.   Are there any fitness classes or group exercise sessions offered by the sports department?
Yes,they are available. Links of some activities are also provided on the main website of sports of gndec https://sports.gndec.ac.in/
Fitness Training by Dr. Gunjan Bhardwaj- https://gndec.ac.in/gndec/yoga.mp4
Intra-Murals Activities - https://gunjanbhardwaj.github.io/Newsletter/Content/Sports/Intra.html
Extra-Mural Activities

Lower Back Strengthening Workout - https://www.youtube.com/watch?v=UqN1L9BNGSM

18.   How does the college encourage a culture of sportsmanship and fair play among students?
The campus intramural sports component strives to provide a variety of opportunities that contribute to and promote the six dimensions of wellness: physical, emotional, social, spiritual, intellectual and environmental. We are dedicated to make intramural part of campus life. Our goal is to continuously create and provide a competitive, safe and enjoyable atmosphere that encourages teamwork, leadership development as well as lifelong pattern of positive activity.We provide adequate environment, infrastructure to pursue sports activities and provide playing opportunities to the wide range of students regardless of the gender or cultural backgrounds. The department simultaneously prepare teams for inter-college and inter-varsity competitions. Various tournaments/meet and intramural activity are organized throughout the session.To that end, the sports department views its interactions with students through physical education programmes which help them to discover, develop and test their skills to create a positive change.

19.   Is there a process for students to suggest new sports activities or programs?
Yes, new ideas and innovations are always welcomed and information regarding these should be given to the sports head.

20.   Who are the current faculty members of gndec sports?
DR. GUNJAN BHARDWAJ
SUMINDER SINGH
For more details visit https://gndec.ac.in/faculty/?deptt=4

21.   Is there a specific webpage or website for sports related information?
Yes,there is a specific webpage or website for sports related information
https://sports.gndec.ac.in/

22.   Does the website provide with all the facilities and activities?
Yes,the website provides with all the facilities and activities .All the information is provided regarding facilities and activities -https://sports.gndec.ac.in/?q=node/9

23.   Are there any social media references of sports of gndec?
Yes, Instagram handles of sports page-
https://www.instagram.com/gndec_sports?igsh=MWR6cnBpZ2UwYjR1ZA==
https://www.instagram.com/gndecsports?igsh=MTRzdzNjdGdsMWI4Yg==

~List of Holidays
1.   What holidays does the college observe?
For details of list of holidays visit https://gndec.ac.in/sites/default/files/Listofholidays.pdf.

2.   Are there any additional days off, such as breaks between semesters?
Yes, there are some according to semester schedules and they are regularly updated on the notice board of the official website of gndec https://www.gndec.ac.in/

3.   How do holidays affect the academic calendar?
For details regarding academic calendar students can visit https://gndec.ac.in/?q=node/23 for detailed information.

4.   Are classes canceled on holidays, or are they rescheduled?
On holidays described in the list of holidays
https://gndec.ac.in/sites/default/files/Listofholidays.pdf . Classes are off and they are resumed from the next day onwards.

5.   What services are available on campus during holidays, especially for students living in dormitories?
Each and every facility is open to hostelites even during holidays like mess facilties,even canteens are opened on holidays etc.

6.   Are canteens open during holidays, or are alternative arrangements made?
Yes,each and every facility is open to hostelites even during holidays like mess facilties,even canteens are opened on holidays etc.

7.   Are there any special transportation arrangements provided for students during holidays?
No,students can travel on their own wherever they want to during assigned college timings.There is no such transportation facility

8.   Are there any restrictions or guidelines for students traveling during holiday breaks?
Hostelites are provided with some strict timing restrictions and those are to be followed within wich they have to be there in the college.

9.   What recreational or leisure options are available on campus during holiday periods?
Sports complex,canteens even the whole college campus is available for recreational or leisure options during holiday periods.Students can opt for any of the activity.

Yes,they can on their own if they want to.

15.   How does the college communicate holiday schedules and related information to students?
Students can check the official website for these information,holidays are also posted on the notice board.Also for list of holidays visit
https://gndec.ac.in/sites/default/files/Listofholidays.pdf.

16.   Is there a central source of information where students can access holiday schedules and updates?
Yes, for list of holidays visit https://gndec.ac.in/sites/default/files/Listofholidays.pdf.

17.   What efforts are made to ensure acessibility to trips?
Students can plan trips and seek permission from Head of departments and mentors

18.   Are trips planned department wise?
Yes,trips are planned department wise.

19.   Do teachers or mentors go along with the students on the trip?
Yes,teachers or mentors go along with the students on the trip for the safety of students.

20.   What measures are in place to ensure the safety and well-being of participants during trip?
Teachers or mentors go along with students for the safety and well being of students

21.   Are trips organised related to studies?are they educational?
Yes educational trips are organized .Visits to various companies is organized to enhance Knowledge Retention.

22.   What are the dates and duration of the trip?
They are planned according to the semester schedules.

23.   How will transportation be arranged, and what are the costs involved?
Everything is arranged by students and then signed by respective Hod's and mentors.

24.   How does this trip relate to my academic or personal interests?
Educational trips are organized .Visits to various companies is organized to enhance Knowledge Retention.

1.	What cultural activities and events does the college offer throughout the academic year?

The Cultural Committee of Guru Nanak Dev Engineering College is a fusion of Cultural and fine arts committee. It celebrates the social decent as well as cultural diversity in the campus by organizing various festivals and events. The committee guarantees that the students have a home-away-from-home involvement and experience at the campus. The committee gives enough chances to the students to relax and enjoy campus life in the midst of thorough academics.The students of the college come from diversified backgrounds, the committee helps to unite and learn each other's cultural diversity. We understand the importance of cultural sensitivity in today's world and the cultural committee makes the young leaders at GNDEC sensitive to each other's culture.It aims to provide rich social-cultural experiences with the goal that the students appreciate the multi-cultural diversity of our general public.The Cultural Committee of Guru Nanak Dev Engineering College is one of the crucial committees responsible for the buzz factor amid rigorous students' college life. It takes care of the social as well as the cultural aspects of life at the institute. The Cultural Committee provides a platform to catch the energetic persona of the students by offering them a stage to exhibit their inward imagination and talents.The team organizes various cultural activities round the year to keep the spirits of the campus at enigmatic heights. It ensures that the memories of each event is permanently etched in the hearts of the students. It requires a lot of effort and planning to organize events on this scale, for which we are glad that GNDEC Ludhiana has a strong and dedicational team with multitude of skills.The committee seeks to create a platform that provides the students with an opportunity to display creative talents in a variety of ways.

For more details you can visit our instagram handle and the official cultutal website
https://gndec.ac.in/cultural/?q=node/1

2.	How can students get involved in cultural clubs or organizations on campus?

Students can get involved in cultural clubs or organizations on campus in several ways by attending club fairs, by checking gndec cultural website i.e.
https://gndec.ac.in/cultural/?q=node/1   and social media platforms like youtube and instagram where content is uploaded day by day .

Students can get to know more by reaching to club leaders, attending club meetings and participating in events and activities of various club . Also can volunteer for various leadership roles.

3.	Are there specific cultural festivals or celebrations organized by the college?

Yes , there are specific cultural festivals or celebrations organized by the college like Anand Utsav .The Cultural Committee of Guru Nanak Dev Engineering College is one of the crucial committees responsible for the buzz factor amid rigorous students' college life. It takes care of the social as well as the cultural aspects of life at the institute. The Cultural Committee provides a platform to catch the energetic persona of the students by offering them a stage to exhibit their inward imagination and talents.The team organizes various cultural activities round the year to keep the spirits of the campus at enigmatic heights. It ensures that the memories of each event is permanently etched in the hearts of the students. It requires a lot of effort and planning to organize events on this scale, for which we are glad that GNDEC Ludhiana has a strong and dedicational team with multitude of skills. For more details you

can visit our instagram handle and the official cultutal website
https://gndec.ac.in/cultural/?q=node/1

4.   Can students propose and organize their cultural events or activities?
Yes , students can propose and organize their cultural events or activities. There is a special student committee which can be visited throgh this site
https://gndec.ac.in/cultural/sites/default/files/studentscommittee.pdf#overlay-context=node/10%3Fq%3Dnode/10 which can help you to induldge into activities and events of cultural committee.

5.   What cultural performances or shows are typically held on campus?
There are various cultural performances or shows which are typically held on campus like Anand Utsav , Youth Festival and various cultural events including rangoli, poster making , dancing , singing and many more . The team organizes various cultural activities round the year to keep the spirits of the campus at enigmatic heights. It ensures that the memories of each event is permanently etched in the hearts of the students. It requires a lot of effort and planning to organize events on this scale, for which we are glad that GNDEC Ludhiana has a strong and dedicational team with multitude of skills. For more details you can visit our instagram handle and the official cultatal website https://gndec.ac.in/cultural/?q=node/1

6.   Are there opportunities for students to showcase their artistic talents?
Yes, there are many opportunities for students to showcase their artistic talents on various events organised by cultural committee like poster making , cartooning , rangoli, on the spot painting , collage making, clay modeling , mehndi , photography and many more in a year. It offer study abroad programs that focus on cultural immersion and global perspectives.

12.   Is there a cultural affairs committee or department responsible for coordinating activities?
es , there a cultural affairs committee or department responsible for coordinating activities .There is a special student committee which can be visited throgh this site
https://gndec.ac.in/cultural/sites/default/files/studentscommittee.pdf#overlay-context=node/10%3Fq%3Dnode/10 which can help you to induldge into activities and events of cultural committee. Faculty members often serve as advisors or mentors for cultural clubs and organizations. They provide guidance, support, and expertise to student leaders, helping them plan and execute cultural events effectively. They can contribute to cultural activities by serving as guest speakers, performers, or panelists. They can share their expertise, research, or personal experiences related to different cultures, enhancing the educational

value of the events. To check the faculty list you can visit the website
https://gndec.ac.in/cultural/?q=node/3#

13.   Are there any awards or recognition programs for outstanding contributions to cultural activities?

Yes , there are awards or recognition programs for outstanding contributions to cultural activities . To check all the awards of the committee and more details students can check https://gndec.ac.in/cultural/sites/default/files/Cultural%20Awards_0.pdf#overlay-context=node/11%3Fq%3Dnode/11

14.   What cultural events or activities have been particularly popular or successful in the past?

There are various cultural performances or shows which are typically held on campus like Anand Utsav , Youth Festival and various cultural events including rangoli, poster making , dancing , singing and many more . The team organizes various cultural activities round the year to keep the spirits of the campus at enigmatic heights. It ensures that the memories of each event is permanently etched in the hearts of the students. students can propose and organize their cultural events or activities. There is a special student committee which can be visited throgh this site https://gndec.ac.in/cultural/sites/default/files/studentscommittee.pdf#overlay-context=node/10%3Fq%3Dnode/10 which can help you to induldge into activities and events of cultural committee.

15.   Who is the Chairman or head of the committee and how can we contact them for further details?

The Chairman or head of the committee is Dr. Kulwinder Singh Mann and for the details of other faculty you can check our official website of cultural committee https://gndec.ac.in/cultural/?q=node/3

16.   Is faculty from various departments is involved and who are they and how can we contact them?

Yes , faculty involvement from various departments is there as Faculty members often serve as advisors or mentors for cultural clubs and organizations. They provide guidance, support, and expertise to student leaders, helping them plan and execute cultural events effectively. The Chairman or head of the committee is Dr. Kulwinder Singh Mann and for the details of other faculty you can check our official website of cultural committee https://gndec.ac.in/cultural/?q=node/3

17.   What are the facilities available for ccgndec?

Facilities available for cultural commiite is Auditorium and Open Air Theater. The auditorium is a central and important space in any organization lucky enough to have one. It is used for all types of formal assembly: lectures, award ceremonies, dramatic plays, musical theatre productions, Dance, and Literary competitions and so on. These varied events place a range of demands on the room. For all events, it is essential that everyone in the room hear, clearly

and enjoyably, everything that is presented. This is the goal of acoustical design for auditorium spaces. Capacity of Auditorium is 650. Open air theatre is a central point of attraction for the students where various events are organized. It is used for all types Cultural Activities - Dance, Theatre, Music and Literary competitions and so on. Capacity of Auditorium is 3500. Annual Cultural Function - Anand Utsav is also organized in Open Air Theatre. For more details refer https://gndec.ac.in/cultural/?q=node/9

18.   Is there a specific webpage or website for cultural committe related information?
Yes , there is official website for cultural committee. For more details you can visit our instagram handle and the official cultal website https://gndec.ac.in/cultural/?q=node/1

19.   Does the website provide with all the facilities and activities?
Yes our official website provides all facilities and activities happened in the past. The committee seeks to create a platform that provides the students with an opportunity to display creative talents in a variety of ways.
For more details you can visit our instagram handle and the official cultal website https://gndec.ac.in/cultural/?q=node/1

20.   Are there any social media references of cultural activities of gndec?
Yes our official website provides all facilities and activities happened in the past. Activities are uploaded regularly on our youtube channel also.
For more details you can visit our instagram handle and the official cultal website https://gndec.ac.in/cultural/?q=node/1

1.   What minors are offered at your college/university?
Minors are offerred according to the different departments present in our college. For minor details check the following links of various departments offering minor subjects.
Civil Engineering -
https://ce.gndec.ac.in/sites/default/files/Minor%20Engg%20Notice_JAn%202020-1.pdf
